Weigh Down Welch's Waddlers

Students at Bennet Academy will have the opportunity to see a teacher dressed up as a turkey this Thanksgiving? Students, at Bennet Academy, are pitching in to *weigh down* one of **Welch's Waddlers**! Here is how it works: Bennet Academy staff members have volunteered to join our team, **Welch's Waddlers**, in the annual Manchester Thanksgiving Day Road Race. These "turkeys" will run, walk, or waddle the 4.7 mile race. Students, then choose to sponsor (or weigh down) any of the "waddlers" with a monetary donation. The waddler "weighed down" with the most money must dress up as a turkey while at school the day before Thanksgiving and run the Manchester Road Race in costume! All of the "weight" collected will go towards our school wide field trip in January.
